Swissquote teams up with Tesla to launch car leasing

Swissquote is launching a new online leasing offering in collaboration with Tesla.

Swissquote is thus expanding its activities in the credit sector. Leasing is a popular option for the purchase of new cars in Switzerland. Swissquote is focusing on a market trend that is moving decisively towards electric cars, aiming to make financing a Tesla as effortless as driving one. With Swissquote's entry into the leasing market, customers can now benefit from an enhanced digital experience that enables a swift processing of their leasing requests.
